Get a PDF Reader

Some content on the BSI website is provided in Portable Document Format (PDF) files. The PDF format is specified[1] by Adobe and is published by Adobe and the International Organization for Standards (ISO).

Below are some free PDF readers for different operating systems. This list is not exhaustive and is provided for information and convenience only. Software Assurance does not endorse or support these products.

- Adobe Reader[2] is available for multiple operating systems.
- Foxit Reader[3] is available for Microsoft Windows.
- Sumatra PDF[4] is available for Microsoft Windows.
- Evince[5] is available for Linux and Microsoft Windows.
- Preview[6] is part of Apple Mac OS X.
- Xpdf[7] is available for UNIX and Linux.

Wikipedia maintains a more extensive list of PDF software[8].
